Greetings from Tír na nÓg,

We finally got going on our trip to Water World which was a huge success. We hired a large bus and a minivan to transport 77 of us over an hour away to the Fun Retreat Resort. On arrival the children were split into three groups, each group partaking in a different activity. These included a train ride, bumper cars, go-karting and a visit to the outdoor park. As many of our teenagers were on holidays from school, they got to spend the day relaxing and swimming in the outdoor pool.

The children and staff were then treated to a delicious barbeque in the garden. Chicken and chips, salad, soda, fruit, and fried banana were on the menu for the day.

After lunch and for the remainder of the day the children got to spend time in the water zone. This was their favourite activity, and we were blessed with a beautiful sunny day.

The water was shallow enough so that even the youngest children could wade through it. Every so often huge sprays of water would come bursting out from the sprays this was met with squeals of delight and sheer excitement.

We made wonderful memories that day and we know the happiness and joy they all felt will remain with them for life.

Thank you to each person who donated to make this a possibility. A special thanks to Lenore Good from 'Out in the Sticks with six' for fundraising tirelessly for Tír na nÓg and for making this a reality.
